Contractorwrap® packaging

The harvest season is often, if not always, hectic and every minute that you can save is of importance. Therefore we have developed a packaging for farmers and contractors with high consumption, and for everyone else who wants to save time and waste. The reels are packed directly on the pallet without boxes which increases the efficiency for the user.

- No handling of empty boxes
- Higher comfort and convenience
- Reduction of packaging by 70%*

*reduction in cardboard when comparing to same product in box packaging
