

teno spin⁺

Charity Edition for cancer awareness

Guaranteed donation for each reel

tenospin⁺

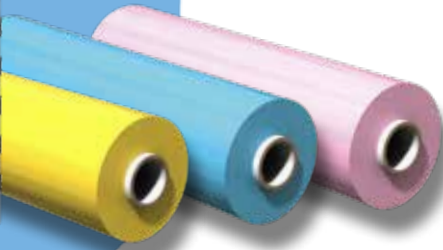

>30% PCR

Awareness

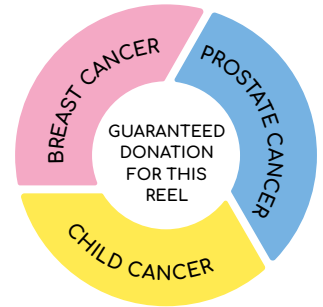

Donation

Get more with less!

With the special colours these limited editions want to raise awareness for breast cancer (pink), prostate cancer (blue) and childhood cancer (yellow). Additionally, for each sold reel a donation is made for a local cancer charity organization.

Product data

Dimensions

750 x 0.021 mm x 1900 m

Packaging

15 reels/pallet

Colors

*also available in white, green, eco green, black

- High quality recipe and production for best silage
- Better efficiency and performance due to 1900 m premium stretch film
- Works for all bale types and on all machines
- Water-protected paper core
- The charity raises money for donation to cancer research*
- Same quality and performance as other Tenospin plus 1900 colours, just a different pigment in the film
- Contains a minimum of 30% PCR (post-consumer recyclates), decreases the carbon footprint by at least 41%** , certified by RecyClass

*Amount of money is depending on agreement in each country/region where the product is sold

**LCA modeled in SimaPro using data from the ecoinvent inventory database. Reduction in impact when comparing Tenospin Charity Edition to Tenospin 25μ.
